TO THE EDITOR OF THE "DAILY PERSA" DEAR SIR.-Can you inform me whether the road leading past Head-Quarter House and Scandal Point, then between Victoria Barracks C. and D. blocks I think) and up to the Kennedy Road, is open to the Public or not? I was stopped there yesterday by sentry and on asking a non-commissioned officer passing. I was told that the general orders were

The military, no doubt, have a full right to close their ground to any civillan. but to avoid inconvenience to many of your readers who like myself take their daily "constitutional ! it would be interesting to know whether this really picturesque road which hear the sentry-box, reminds one of the Harts monntains, and which up to now has been used by many Hongkong people, is to be considered closed to the public.
